Re:Daryl Jackson v. Bradt  
07-CV-9390 (WHP)(AJP)

Dear Hon.Andrew J Peck,

On December 19,2007, you sent Petitioner a ORDER in reference to his Writ of Habeas Corpus, under the above docket number above on page#2 of said ORDER you stated,

ORDERED,that respondent shall file a complete and entire answer to the petition by Februaury 19, 2008, and that any request for and extention should be made to the undersigned and it is further

However the Attorney General sent to me :Respondent's Memorandum of Law in Opposition for a Writ of Habeas Corpus and Declaration in Opposition to Petition For a Writ of Habeas Corpus, on Februaury 19,2008! The PETitioner needs time to respond to the above and Petitioner needs to have a extention of time. there has not been any previous request for a extention of time, not to omit that the date that was originally schedule for Februaury19,2008 but being the Attorney General chose not to respond until that date the Petitioner is burdened with not having the opportunity to request a extention 48 hours before the schedule date and Petitioner ask that he be giving a extention of time , so I could be able to prepare his Traverse and file it presentable. I now close this letter hoping to recieve positive response from you.

Sincerely,

Mr. Daryl Jackson
